Unauthorized Adversarial Administration and It's oppressive Dual Branch Color of Process Detected: Violations of the separation of powers detected; Tyranny is not normal behavior, Not accepted by society, And is highly illegal; I am No longer deceived, I see the fraud. Untimely Disclosures

- In LIGHT of New Evidence - (TRDPC 3.09)

TX. Rangers Integrity Division, D.O.J & F.B.I. Civ. Div, state bar, and TX. Comm. of judicial conduct to initiate disciplinary action against all co-conspirators that are secretly involved in the hidden breach of oath and cover-up so they can scape Liability... * It is a "Brady Fact" that the Appearance of judicial Improperity has manifested before the mind's eye of the Aggrieved party & knows that he has been targeted, scammed & Victimized by A highly Organized & Concealed Color of Authority (\$ Major Tort Damage \$).

DISTRICT CLERK
BEXAR CO. TEXAS

ATTENTION!!! When the judge Ask me, "Do you Understand the charges?"

- My Answer will be, "I comprehend that the charges are colorable
- In nature... And I timely object to the Admission of the Non-Legal
- Indictment... It's a Hoax and this whole court is in breach of Duty."

My heart is no longer "convicted"... My mind is no longer "Decieved"...
The LORD'S Equity is here (Luke 11:52/Luke 12:2-3/Romans 12:19)
And his blessing (Knowledge) has been recieved... Amen

* I will continue to testify the truth:

1). It is a Brady fact that the adversarial Administration Predatorily hides behind a False advertising judicial curtain... * It has No Legal Authority... It operates under the Color of Authority in which Royal Peace Officers use their Badge to shield the well hidden Corruption... Well I fully Object to all this secretive official misconduct & oppression.

2). It is a Brady fact that the Adversarial System, Bias & Prejudicial (War like) in nature, procures a "Dual Role Tension"—An Unmanageable conflict of Duty to "Appear" impartial & Duty to be partial when zealously Enforcing the law (Hippocrate)—A dual interest or "Split Loyalties" between peace officer and war-like mindset reasonably impairs All peace officer's "Official Sworn Duty" to be peaceful, fair and impartial... * This is a well established Exculpatory Fact *

3). For the negligent D.A. (Con. Artist), An Undisclosed breach of oath resulting from "Secretly Serving 2 Masters" is a violation of

TCCP Art. 2.01... * A grave breach of trust (Immunity forfeited) because D.A. Abused his decision making power & chooses on his Own to go rogue & pursue criminal charges under a breached oath... Recklessly drafting Indictments with Unclean hands, Counterfeit bills illegally printed & filed under Color of Authority... A structural Error and fraud upon the honorable court. Prosecutorial Misconduct.

4). Furthermore, The "Non-Minister of Justice" D.A. Who is impersonating a Peace Officer, is in violation of TRDPC 3.09 for Intentionally withholding Brady evidence favorable to the defendant...

* Failing to disclose so the Rogue D.A. can Avoid Public Scrutiny & Dodge a Disqualification so he can Unfairly Secure an Unconstitutional Conviction that results In A False Imprisonment (Agg. Kidnapping).

5). Sueing for Damage, Bexar County Officials Keeping their dual Role Tension, Lack of Objectivity, Impaired Impartiality a "TRADE SECRET" (Commercial Bribery) Procures An Unfair Economical Advantage; An Unsecured Benefit Procured organized deception that damages me (False Conviction) And helps A Rogue D.A (Rigged Conviction)... Which Amounts to financial fraud upon the court because My Legal Name, S.S #, and other banking info was used in procuring colorable Budgets without my full informed consent (Agg. Identity theft / R.I.C.O. Crime) - (Unfair Trials).

6). Furthermore, Police Officers (Make-Believe Peace Officers), While Zealously Discharging An Expected Duty to partially Enforce the law by arresting me and forcing me into handcuffs... Did Not Officially Report the critical fact that they are in violation of Legal and Moral

Obligations to be Impartial, * Intentionally and Recklessly failed to Act As the Law Obligates then to Act Impartial, * Peace Officer's word is their bond and if their word (oath) is no good, then their badge is No good; the Fiduciary Obligation to be Impartial is owed to me as a public citizen and that benefit was Extorted from me Under a highly concealed Color of Authority.

7). Furthermore, Police Officers while secretly operating Under breached oath, An Abuse of Office, Illegally gathered Evidence. While Impersonating peace officer under a Color of Authority, All evidence gathered is 100% Unsecured and probable cause used to Indict me is fruits of the poisonous tree, a clear Violation of the 4th Amendment and I timely object to the admission of the illegally gathered tainted evidence to be used against me in a real Court of Law and order...

8). Next... The Judicial/Adversarial court of Bexar County is secretly operating with No Binding Trust of Impartiality (their Badge is breached and will Not shield them from Punishment). - The Lower Court's have No Creditable Subject matter, zero Good faith claim of Legal Authority... It's All Gibberish Ex-Parte Hearsay. - * I do Not consent to it's begotten Adversarial colorable Jurisdiction (A Trick and illegal Trap). - * The Grossly Negligent Judge, Lawyer, and D.A. Know these Facts to be material Brady Evidence Favorable to the defendant for an Acquittal (Withholding such Exonerating Evidence in Prison Time for Rogue Officials). - * From it's Implied Execution, A constructed Corpus Trust that cannot perform it's Publicly Expected Promise of impartiality is a Fraudulent Account (Designed to Attack the constitution). - * A Deliberate And Incurable Lack of Oath to office is an Abusive Distrust

(Premeditated Perjury)... Made to Do One thing, make fools of the Public (ATRICK & TRAP). - I Fully Object & Quash the deceptive oath of office, its a counterfeit and an Abomination before the eyes of the Law; Zero Credit.

9). In Bexar County, the oath of office is in full Federal Review because it is Being Recklessly Used to procure an "Illusion" of Legal Authority Based on Malicious Lies and Disinformation (Due Process Violation). - * The Legal Fiction (Fraudulent Appearance of Legality) is a Deceptive Trust Built On Inequity, Unfairness, & Blasphemy... It's word of Impartiality is 100% Colorable in nature (False Profit). - * Local peace Officer's badges are Not Forged in "Factual Obligations" to be Objective & Impartial... Only Secretive Fictional Obligations (A Scam). - * This is because the Dual Duty (Impartial vs. Partial) Procured by the Dual Branch Office (The tree of Good and Evil) is Deeply Rooted Inside the minds & hearts of the Rogue officers, A terrible Split - Loyalties... Torn between swearing to do Good but Paid to be Secretly Evil - * Rogue Officers are confused by the will full serving of two masters; they are Self Brain-Washed in Believing that keeping Quiet about their breach oath is legal so they can Illegally & Partially Enforce the Law Under the Color of Authority... This is clear Evidence that the Sworn Oath is 100% Unmanageable & Nule & Void (Breached Covenant).

10). Finally, I timely Object to the District Court's Hostile Judge to Legislate from the bench, Whose thinking Process also suffers from An Irreconcilable Split Mind (Dual Role Pressure)... Whose Impartiality & Jurisdiction is also Scarred & Impaired; - * I fully Object for any Tribunal Judge to Act Uncivilized by Secretly stepping outside his Official Primary Judicial Role of Honesty & Impartiality & Silently slip into his

Unofficial Secondary "War-Like" (Non-Neutral) Role of Partial Aggressor, treat me punitively, Partial, and Unfairly the Sneak Back into His Already "Corrupted Oath of Office and Deceptively" Act Like he is still The "Honorable Judge" When it's A Exculpatory Brady Fact he is Not...

The moment the negligent Judge uses the Colorable Indictment to step Outside His assigned Position of Impartial Fact, Finder to "Partial Punisher" without my Informed Consent. - Forfeits His Immunity (And Has Duty to Report the Harmful Procedural Error, Artificial Impartiality)... I Refuse to let my Due Process RIGHTS be secretly Attack in Such a Vexatious, with No Legal Authority, No Badge of Honor... An outlaw and a Nobody... *All attempts to render an Involuntary plea of "Legal Guilt" (Fabricated Mens Rea) Are Null & Void on its breached face...

< Prayer For Relief >

I pray that the court stay in Honor and Keep to its word of Impartiality, I am here to collect on that benefit in full, I demand the Colorable Indictment be Dismissed or face the consequences Under title 42 Section 1983 & 1985 → See Liability Under the STATE-CREATED-Danger for failure to Report the Harmful Breach.

Special Pro-Se Appearance

* Luke 11:52 *

Challenging the Court's Artificial Promise of Impartiality
< Information Forwarded to the Court of Appeals >

Scandalous Matter Discovered (Fed.R.Civ.P. 12(f)):

Peace Officer's oath to be Impartial Cannot Co-Exit with
Act of Partialness... Fraud Upon the Court.

Now Exposing to the Light of New Evidence: The Secret "War
of Aggression" & "Partial Sneak Attack" By Rogue Peace Officers;
masked individuals Impersonating peace Officers Operating in
the Dark with Breached Oath.

* Public Notice *

1. Secret Breach of oath to office Detected.
2. Conspiracy to Criminally Conceal the breach Detected.
3. Major Corruption Violating Due Process RIGHTS Detected.
4. The Bells of Equity Now Telling the statutes of Fraud.
5. Preserving Harmful Error of Intentional Promissory Perjury.
- * 6. Now Raising Timely Objections to the Deceptively Conceal
Color of Authority Used to Secretly target, Scam, And Victimized
Innocent Civilians (Me).

* Luke 12:2-3 *

WARNING!!! New Exculpatory Brady Revelations: The Texas Rangers Integrity
Division, D.O.J & F.B.I. Civ. Div., state bar, and Texas Commission of
Judicial Conduct are All being well notified that in my specific case...
The Bexar County D.A. is Fully Discredited Because His "Dual-Role-
Conflict" causes him to Lack Objectivity,

And The Rogue D.A. Has Abused His Discretion by Unethically Keeping it A Harmful Secret that His Split Loyalties Reasonably Impairs His Sworn Oath to be Impartial at All times, Promisconduct that violates T.C.C.P. Art. 2.01...

Furthermore, The "Non-Minister of Justice" is Guilty Under T.R.D.P.C 3.09 for Intentionally withholding Material Exculpatory Evidence favorable for An Acquittal, Favorable to Block an Attack On my Due Process Rights (5th, 6th, 14th Amend. Violations)... My Custody is Illegal Because Rogue Official Are Fully Disinterested in seeking Justice... Rogue Oath Breakers are Only Interested in procuring False Conviction... (Agg. Kidnapping)...

The Good Lord's Conclusion And Objection

The Rogue "Brady Violator" D.A. Possesses An "Unofficial Intent" (A well Hidden motive) to Defraud The Court & U.S. Govt. by Tying me into A Rogue Judge's Belligerent Predatory Adversarial War-Zone Jurisdiction... Using a Colorable Indictment (A Deceptive Trick) that leads the "Charge" and Invasion of my Rights (A trap)... And I Object to all that Judicial Misconduct... Deprivation of a fair & Impartial Trials Under the Color of Law is a Scam that targets and victimizes an Innocent Person's Civil Right (See; Section 1983 & 1985 civil suits).

ATTENTION!!! Under the Penalty of Perjury, I Alberto Ferrer Cabrera, Do Swear to Hold All Judge & Prosecutors (Rogue Peace Officers) Liable For Highly Organized Criminally Concealed Breaches of Oath, a Federal Crime...
